CYSTIC FIBROSIS CARRIER TESTING
INFORMED CONSENT/ DECLINE

You should be certain you understand the six items listed below. IF you are not certain about any of them, please ask your health care provider to explain them further before signing this form accepting or declining CF carrier testing.

1. I understand that the decision to be tested for CF carrier status is completely mine.
2. I understand that the test does not detect all CF carriers.
3. I understand that if I am a carrier, testing the baby's father will help me learn more about the chance that my baby could have CF.
4. I understand that if one parent is a carrier and the other is not, it is still possible that the baby will have CF, but that the chance of this is very small.
5. I understand that if both parents are carriers, additional testing can be done in order to know whether or not the baby will have CF.

I have read and understand the information on this brochure form and:

_____ I do not want CF carrier testing

_____ I want CF carrier testing

CF Test is performed by Repromedix. Repromedix has arranged a "Safe Guard" price for CF testing of approximately \$102.00. Repromedix will explain the difference if you have Blue Cross Blue Shield of Alabama or Tricare Insurance.

_____ **I understand that I must contact Repromedix myself in order to get the Safe Guard price before I can set up the CF testing, 1-800-667-8893 ext 716.**
